RISTORANTE PIZZERIA

We are the colorful ones.

We were born in a corner of Catania
where standing still is almost impossible.

Outside there is the Pescheria, with its voices,
its scents and its wonderful chaos.
Above us, the little umbrellas color Via Gisira.
A few steps away lies the sea.
And around us, every day, the world goes by.

**Maybe that's why we learned
to love encounters.**

Encounters between sea and land,
between Sicily and flavors from far away,
between tradition and the desire to try something new.

For us, cooking does not mean choosing
between what we know and what is different.
It means **bringing them to the same table**
and seeing what happens.

And this is a little what also happens among people.

We all have different stories, languages, colors
and places in our hearts.
Yet every day we work, laugh, disagree,
eat and grow together.

In the end, we discovered something very simple:

**we don't have to be the same
to feel good together.**

It's true for people.

It's true for flavors.

And, as it turns out, it's true for a rather special
family in the heart of Catania.

Welcome to  .

Different, yet the same. ♥
