COBA

DRESS

COBA

DRESS

A versatile must-have designed to adapt to every occasion. Wear it as a beach cover-up, a lightweight dress, or for a special dinner.

100% cotton · Lightweight · Breathable · Soft to the touch.

Its multifunctional design allows you to style it in different ways, while the one-size-fits-most cut comfortably adapts to different body types. One piece, multiple ways to wear it.

AURORA

DRESS

Crafted from 100% cotton gauze, a lightweight, soft, and breathable fabric that offers effortless comfort and movement.

Its long, slit-free design creates a fluid, flattering drape, while the elegant side ruffles add movement and a touch of sophistication.

100% cotton • Lightweight • Breathable • Fluid drape • One size fits most

MINI BAGS

Handcrafted from highly durable recycled plastic weave and finished with details in 100% genuine leather.

Lightweight, durable, and easy to clean, these unique pieces combine design, functionality, and craftsmanship, making them perfect for sunny days, beach getaways, and special moments.

HANDCRAFTED BAG

100% handcrafted by Mayan women artisans using pure cotton yarn. Features a durable cotton canvas lining and natural wooden bead handles. A unique, eco-chic accessory blending rich tradition with modern elegance.

TENANGO BAG

A Tenango bag is a completely hand-embroidered textile art piece that combines the colorful worldview of Otomi flora and fauna with a contemporary, functional, and 100% unique design.

HANDCRAFTED MACRAMÉ VISOR

Handcrafted by Mexican artisans from natural palm and delicately finished with a 100% cotton macramé trim.

Lightweight and timeless, it blends traditional craftsmanship with natural elegance, making it the perfect accessory for sunny days and seaside getaways.

Natural elegance for summer days.
