WELLNESS SERVICES

RELAXING MASSAGE (25 min) \$900 MXN (50 min) \$2,200 MXN
(80 min) \$3,000 MXN

The main intention of Relaxing Massage is to bring the whole body, through the appropriate motions for the individual, into a state of total rest and relaxation, increasing circulation, calming nerves and clearing the mind.

HOT STONES MASSAGE (80 min) **\$3,000 MXN**

Full body massage with an immersive experience with hot stones to regenerate and relax your deep muscle, reset and recharge your nervous system.

SPORTS RECOVERY MASSAGE (50 min) **\$2,500 MXN**

This massage is part of wise sporting practice, at the level of training as well as before and after competition. This massage is to prepare for intense physical activity, to avoid muscle spasms and sporting injuries in general, as well as to relax muscles and clear toxins after intense activity.

DEEP TISSUE (50 min) \$2,500 MXN (80 min) \$3,000 MXN

This technique penetrates below the superficial layers of the muscle, making it ideal for treating chronic muscle problems and muscle strains or tightness. This massage tension, especially in people who generate muscular load by situations of stress over time.

NECK, SHOULDER & BACK (25 min) **\$900 MXN**

WELLNESS SERVICES

AROMATHERAPY (80 min)

\$3,000 MXN

Aromatherapy using essential oils stimulates organic processes and revitalizes the organs. When inhaled, they pass through the nostrils influencing the brain, neurohormonal and nervous system. There is also a psychological, physical and emotional effect. Aromatherapy is especially suitable for treating emotional problems. It is accompanied by relaxing massage to penetrate the skin and balance the body and mind.

MASTER MASSAGE (80 min)

\$3,000 MXN

Full body massage with a complete and immersive experience with hot stones and aromatherapy to relax your muscles and deep therapy to regenerate your immune system and recharge your emotional energy.

HOLISTIC

(50 min) \$2,200 MXN

(80 min) \$3,000 MXN

It is a holistic massage where you will find balance and serenity. Given your personal needs your therapist will intuitively combine techniques and specific essences to tailor-made your experience and achieve your maximum level of relaxation and well-being.
