

Special Of The Month

A fluffy pancake stacked on a cookie base set the stage. Feuilletine added the crunch, while a crown of vanilla ice cream with framboise sparkles stole the spotlight. Just when you thought it couldn't get sweeter, a banana & dark chocolate spring roll rolled in, and Toffee Sauce drizzled the finale. The result? A decadent story worth every bit

It's Brunch Elevated

Rollin' Toffee

€12.95
