We use cage-free chicken and turkey that are fed a vegetarian diet and raised without antibiotics, hormones, steroids or animal byproducts.

*The Illinois Department of Public Health advises that eating raw or under-cooked meat, poultry, eggs or seafood imposes a health risk to everyone, but especially to the elderly, young children under age four, pregnant women, and other highly susceptible individuals with compromised immune systems.

We pay special attention to your health by selecting the freshest ingredients and offering cholesterol free oils and low-calorie and fat-free dressings. Please understand that we are obliged to have a limited substitution policy.
