Ramè

(Caotico e gioioso insieme. Balinese). Qualcosa ramé a Bali? Il gamelan. Si tratta di un'orchestra composta da numerosi strumenti, tra cui tamburi, gong, xilofoni, flauti di bambù e strumenti a corda. La musica prodotta è complessa e articolata, con melodie sovrapposte e più linee ritmiche suonate insieme. Il risultato? Caotico, allegro, vitale. In una parola: ramè.
