

Viña Esmeralda, D.O. Penedès

The Producer

For more than 2,000 years, winegrowing has existed around Castell de la Bleda, in the heart of Penedès. Remains from the Iberian, Roman, and medieval periods, as well as from just before the phylloxera era plague, have all been found at this site. Since the early 1980s, we have been working to recover ancestral varieties to play a part in recovering Catalonia's vineyard heritage and look for solutions to deal with climate change. Over time, we have seen that besides showing great winemaking potential, some of these varieties are extremely resistant to high temperatures and drought.

General information

Alcohol Content: 11.5%

Grape Variety: Moscatel

Origin: Penedès

Vinification: Fermented for 2 weeks in stainless steel at a controlled temperature of 16 °C.

Tasting notes

Torres Viña Esmeralda 2022 is a highly aromatic white wine. On the nose, it offers floral aromas reminiscent of jasmine and rose petals, accompanied by refreshing citrus and tropical notes. It glides on the palate smoothly and kindly. A fresh and gentle white wine.
